RE: EC52 Series Termination

To all concerned parties,

This bulletin is to notify all customers of the discontinuation of the EC52 series Ecliptek oscillator effective Tuesday, January 06, 1998.

In compliance with our End of Life (EOL) policy, this notice will serve as advanced notice of product termination. New orders will not be accepted after Friday, April 10, 1998, with delivery to be conclude by Friday, April 09, 1999.

The EC51 series is a recommended alternate for the EC52 series. This may not be an exact cross, so it is highly recommended that the data sheet(s) of the recommended alternate are reviewed and samples tested to ensure conformance.

If there are any questions pertaining to this bulletin, please contact your Ecliptek sales representative. Thank you again for your cooperation.
