RE: ES64 Series Termination

To all concerned parties,

This bulletin is to notify all customers of the discontinuation of the ES64 series Ecliptek oscillator effective Friday, February 01, 2002.

In compliance with our End of Life (EOL) policy, this notice will serve as advanced notice of product termination. New orders will not be accepted after Tuesday, April 30, 2002, with delivery to be conclude by Wednesday, July 31, 2002.

The ES11W3 OR ES13W3 series is a recommended alternate for the ES64 series. This may not be an exact cross, so it is highly recommended that the data sheet(s) of the recommended alternate are reviewed and samples tested to ensure conformance.
